Welcoming Foreword

01

We are looking forward to a bright future shaped by bold, sustainable national growth and ideas.

Kea Mabitsela - MD

At NHPS Mining Solutions, we are driven by a passion for excellence and a commitment to delivering innovative mining solutions that exceed our clients' expectations. With a team of experienced professionals and state-of-the-art technology, we strive to unlock the full potential of your mining operations, driving efficiency, productivity, and profitability.

In an industry where complexity and challenges are ever-present, we stand out as a beacon of reliability, integrity, and expertise. Our mission is to empower mining companies to achieve their goals, while ensuring a safe and healthy work environment for all stakeholders.

We are proud to be your trusted partner in mining, and we look forward to shaping the future of the industry together.

Our Company Overview

NHPS Mining Solutions is a dynamic and results-driven mining services division of NHPS specializing in comprehensive technical support, infrastructure development, and innovative solutions for the mining industry. With a focus on safety, efficiency, and sustainability, we deliver tailored services to optimize operations for open-cast mining, smelting, material handling, and processing of minerals such as chrome ore, coal, manganese, and magnetite.

Headquartered in Thabazimbi, South Africa, we are committed to exceeding client expectations through expertise, reliability, and local empowerment.

Our Vision

To be the leading mining solutions provider in Africa, renowned for innovation, operational excellence, and sustainable growth.

Our Mission

To deliver superior mining technical services, infrastructure, and turnkey solutions that maximize value for our clients, while prioritizing safety, environmental stewardship, and community development.

Our Values

- **Integrity:** Conducting business ethically and transparently.
- **Excellence:** Delivering high-quality services with precision and accountability.
- **Innovation:** Embracing cutting-edge technology to drive efficiency.
- **Safety:** Protecting people, assets, and the environment.
- **Collaboration:** Building strong partnerships with clients, employees, and communities.

Strategic Advantage

- **Expertise:** Skilled team with extensive experience in mining operations and project management.
- **Customized Solutions:** Tailored services to meet specific client needs.
- **Local Presence:** Deep understanding of South Africa's mining landscape and regulatory environment.
- **Sustainability:** Commitment to minimizing environmental impact and empowering local communities.

- Open-cast mining, smelting operations, material handling, transportation, screening, crushing, and custom size separation.
- Commissioning, rebuilds, and repairs of mobile machinery.
- Field services for static and mobile units.

MINING INFRASTRUCTURE:

- Construction and maintenance of haul roads, access roads, and site development.
- Bulk earthworks and site preparation.

MINING ENGINEERING SERVICES:

- Design support, planning, and optimization.

DUST SUPPRESSION:

- Environmentally friendly solutions to minimize operational footprint.

TURNKEY MINING SOLUTIONS:

- End-to-end services for crushing & screening of chrome ore, coal, manganese, magnetite, and other minerals.

Services

Quality Policy

03

NHPS Mining Solutions is committed to delivering services that meet or exceed client expectations. We maintain a robust quality management system (aligned with ISO 9001 standards) to ensure:

- Consistent performance and continuous improvement.
- Compliance with legal and regulatory requirements.
- Effective risk management and resource optimization.
- Transparency and communication with stakeholders.

Policy Objective: Achieve operational excellence, enhance customer satisfaction, and drive sustainable growth.

Health & Safety Policy

04

At NHPS Mining Solutions, safety is paramount. We are dedicated to:

- Preventing injuries, illnesses, and environmental harm.
- Complying with South African health and safety legislation (e.g., Mine Health and Safety Act).
- Providing Compliance training and resources.
- Encouraging a culture of safety accountability.
- Investigating incidents and implementing corrective actions.

Policy Objective: Zero harm to people, assets, and the environment.

Risk Management Policy

05

NHPS Mining Solutions is committed to proactive risk management to protect our people, assets, environment, and reputation, while ensuring business continuity and achieving our strategic objectives. We adopt a systematic approach to identify, assess, mitigate, and monitor risks across all operations including:

- Identify and manage risks to minimize harm and maximize opportunities.
- Ensure compliance with legal, regulatory, and contractual requirements.
- Foster a culture of risk awareness and accountability.
- Enhance decision-making and resource allocation.

Policy Objective: Protect NHPS Mining Solutions' assets, people, and reputation while promoting sustainable growth.
